

KRESTON - VDN

Kreston-VDN is founded in 1974 and has had the opportunity over the years to develop itself into an accountancy expert. We offer a wide range of customized services, based on accountancy, tax, company law and financial analytics.

Our firm is aware of the challenges on the labor market, and that is why it proactively anticipates the difficulties which it may encounter in order to fill future vacancies.

We are more demanding about the competencies, work attitude, stability and motivation of candidates than about the type and level of their diplomas, in order to guarantee our clients added-value services.

Our policy of innovative HR leads us to continue to invest in the working atmosphere, image and reputation of the firm.

We are constantly on the look-out for talented employees who wish to join a dynamic team which is , motivated and oriented towards the latest technology.

Our firm benefits from the knowhow and expertise of a multidisciplinary team, which are characterized by:

- Pro-activity, favoring the anticipation and prevention of risks
- Responsibility, justifying the circumstances and the consequences of actions taken
- Technical rigor, guaranteeing appropriate training in legislative and jurisprudential developments
- Integrity, certifying the confidentiality of data received and transmitted

Our vertical organization of assignments involves both team spirit and the personal development of all employees.
